

5b6a25c7-97ab-481c-ab9c-cf3923ea8b57

Summary

Doctor Name also to be listed in Book Appointment->Search Current Location

Patient Profile

Doctor Profile

Medical Representative Profile

Admin Profile

In Landing Page profile "Add Staff" button to be removed

Doctor Profile roadmap -> "Scheduler" to be Changed to "Schedule Appointments"

On Boarding Questions: to be concluded - Details below

Admin/Staff will collect the amount and book an appointment through Admin profile and Temporary token sent to Whatsapp

Temporary token to be displayed in List view instead of SMS/App for Patient Profile

Temporary token to be displayed in List view instead of SMS/App for Patient Profile

Camel case should be implemented across the application

Doctor visiting hospitals should be listed when Search Doctor based on search doctor

Common Issues

Sigichai Fonts to be slightly big

In My Appointments/Med Rep appointments, "End Session" to be worked based on Single Record Selection and Multi record Selection. When Profile is not created, By Default when we logout and logged in-> system takes you to "Dashboard"

When no record available, End session button is Enabled

Doctor Profile -> Creating new profile -> Create Profile & Setup profile two buttons are there..we can keep it either one

Date of Registration & Date of Birth should be greyed out

First search is only listing, will explain the replication steps

Doctor Profile -> Patient Timings set up -> From Date and To Date, Weekdays selection not working properly. Will explain

Doctor Profile->No option to delete the Created Practices

Doctor Profile -> Clicking on Finish Setup - Page Crashed

5b6a25c7-97ab-481c-ab9c-cf3923ea8b57

Patient Profile -> Landing Page was not Create Profile

Patient Profile -> Not able to select other than current Date

Patient Profile -> Payment is not happening even waited for more than 5 minutes

Patient Profile -> Check in process to be done

Patient Profile -> Cancel Payment - Not working

Medical Representative -> Same old page exists. Location, and doctor details not available

No option to delete the added locations

Better to have the "Working location" complete address across the application Instead of "Adithya Hospitals - > Adithya H
